

To the Aberfeldie Jets Community,

With the current environment of the COVID-19 outbreak constantly evolving we would like to advise the Jets community of the following, in line with advice from the Australian Government authorities and our governing basketball bodies (Basketball Australia, Basketball Victoria and Keilor Basketball Association).

Like many of you we are devastated that the Summer 19/20 finals series will not be going ahead. Aberfeldie Jets had 25 teams already through to Grand Finals, and 35 teams who were vying for a position in the Preliminary Finals. While we understand that our players and their supporters are disappointed the decision to cancel the finals was made in line with advice from governing bodies and with the best interests of the KBA basketball community's health and wellbeing in mind. Numerous other local basketball associations have made a similar decision.

We have received much feedback from our community regarding the KBA's decision not to award medallions to Minor Premiers and Runners-up. We trust that this decision was made with good reason and while it may seem unfair to some, it does not in any way lessen the efforts and commitment our members have shown over the season. Medals are won in Grand Finals, where the winners and runners-up may well have been any one of the top four teams in a competition (bar the two exceptions U10 girls A and U14 A where there was a top 3). The KBA can't give medals to all teams eligible for the finals series, so minor premiers and runners-up have been recognised with an acknowledgement rather than a medallion.

Congratulations to the following teams on their minor premierships and runners up positions in Summer 19/20

This is a time of unprecedented uncertainty with all levels of sport from grassroots through to the elite, facing challenges brought on by this pandemic and its repercussions to the health and wellbeing of our communities both in a literal and financial sense. We trust that our governing bodies are making the best decisions they can with the information they have at hand, and with the on-going future of our basketball community in mind.

The Aberfeldie Jets committee will continue to act in good faith for our Jets community members and will review the full implications of this situation on our club and members over the coming weeks. In the meantime, all training and programs, including Junior Jets skills classes organised by Aberfeldie Jets, are suspended until further notice. We hope, like everyone else, that things will return to normal as soon as possible. This means our volunteers and administrative staff will continue the enormous task of preparing for the Winter 2020 season behind the scenes in the hope that the coming season will proceed as planned.

To all the members of our community, stay safe, stay healthy and stay informed. The below links provide valuable information on how to look after ourselves and loved ones at this time.
