Instructions

Welcome to the COVID-19 Infection Control Training Portal

1. Please refer to the Helpful Resources section for important material on COVID-19
2. You will be required to complete the e-learning course
3. Please enrol into the COVID 19 - Infection Control Training course and then click on launch to start the e-learning course
4. You might have to allow pop-ups on your computer when you do the course for the first time. Please find the document on how to allow pop-ups on different internet browsers in the Helpful Resources section below or [click here](#)
5. Once you allow the pop-up, you can launch the e-learning
6. Please take your time reading through the content and complete the quiz at the end
7. Once you completed the quiz you can print an Acknowledgment of Completion by clicking the print acknowledgement button in the completed training section
8. You can always log back into your profile and redo the training at any time and reprint your Acknowledgement of Completion
9. You will receive notifications when there are updates to the training
10. If you have any technical questions relating to the training portal please email support@covid-19training.gov.au
11. Please call the Coronavirus Health Information Line on 1800 020 080 if you are seeking information on COVID-19. The line operates 24 hours a day, seven days a week. Please note this line will not be able to support any queries regarding this training website.
12. Google Chrome is the preferred web browser for this application
13. On successful completion of the COVID-19 Infection Control Training course a reference guide built on the eLearning content will become available for download in the Helpful Resources section

6. Scroll down to the bottom of the course list and click on the enrol in “Infection control training” course

eLearning
