

## TRAINING RETURNS FROM MONDAY 12 JULY 2021

This week, the Victorian Government took some small additional steps forward regarding the easing of restrictions. This means that we can return to training again starting Monday 12 July providing the following is met:

### BIO SAFETY OFFICER (BSO)

- Each team must have a designated Bio Safety Officer (BSO) who is volunteer compliant and confirmed by the club to train. If you need to register a BSO please complete steps 1,2, 3 and 4 [here](#) ASAP
- The BSO **must** be in attendance for the duration of training. **If there is no BSO in attendance, the team cannot train or enter the venue!**
- **The BSO will require members to check in using the Aberfeldie Jets QR code displayed at each venue. For those children with a mobile, use the QR code to check in. Parents of children without mobiles should check their child in when dropping them off at training. If neither of these options are viable then the Coach or Team Manger/BSO will need to check them into the venue by scanning the QR code and using the “add another” button that allows you to check in another person on their own device**
- The BSO will ensure guidelines are followed, players are checking in and report any issues to the Club.

### ATTENDANCE AT TRAINING

- ONLY **registered** players, Coaches and Team Managers/Bio-Safety Officers will be allowed to enter the stadium on training day.
- **Do not attend training if you are unwell or if you have a fever, cough, fatigue, shortness of breath or sore throat. Stay home if unwell.**
- Do not arrive more than 5 minutes before your training session is scheduled to commence.
- Exit the venue immediately when your training session ends.
- If you arrive early, wait in your car until you can enter. Do not wait at the entrance of the venue.
- Do not enter the venue until the prior teams have vacated.
- All personal items are to be labelled e.g., basketball ball, drink bottle and sweat towel.
- **All players must bring their own basketball to training that must be sanitised before use.**
- If the Coach or Team Manager/BSO thinks a player is unwell, they will be isolated, and parent called to pick them up immediately.
- Only players who are registered with the club on PlayHQ may attend training.
- All Coaches, Team Manager/BSO's and players aged over 12 years attending training should carry a face mask when leaving home unless they have a lawful exemption. We strongly recommend members wear a mask whenever they cannot keep 1.5 meters distance from others, including when inside our training venues.
- Parents are **not to enter** the school gymnasiums for any reason unless they hold the role of Coach or Team Manager/BSO.

### ON ARRIVAL AT TRAINING

- Team members are **not to enter** until **both the coach and BSO** are present.
- The BSO must walk members into the stadium to ensure compliance to COVID requirements e.g., QR Code to ensure attendance is recorded, sanitization

- The BSO will require members to check in using the Aberfeldie Jets QR code displayed at each venue. For those children with a mobile, use the QR code to check in. Parents of children without mobiles should check their child in when dropping them off at training. If neither of these options are viable then the Coach or Team Manger/BSO will need to check them into the venue by scanning the QR code and using the “**add another**” button that allows you to check in another person on their own device
- The BSO will have sanitiser for your hands and your ball and will supervise the sanitizing of hands and basketballs. All attendees must sanitise their hands upon arrival and departure.
- All members attending training must use hand sanitiser and sanitise their basketballs with wipes provided. Basketballs are not to be bounced until they have been sanitised.
- If the coach or BSO are running late, then the team will need to wait until they both arrive before entering the venue. If there is no BSO in attendance, the team cannot train!

### **THE CLUB’S COVID SAFE PLAN**

All members but especially Coaches, Team Managers/BSO’s, need to be familiar with the club’s Community Sport and Recreation COVID Safe Plan [COVID Safe Plan](#)

### **TRAINING AT ROSEHILL SECONDARY SCHOOL**

At present Rosehill Secondary College is not available for training. Peter Wood has already emailed Coaches who train there regarding this. It is anticipated that training will resume at Rosehill second week of term.

### **FAILURE TO FOLLOW THE RULES AND REQUIREMENTS**

If teams do not follow the rules and regulations for training, this may result in that team being banned from training. In the worst case, it could possibly result in our club and all teams being banned from their venue.

We want our members to be able to enjoy playing and training with their teams. We need the support of all members to ensure that our actions do not risk our access to our training venues.

### **WHAT IF YOU OR YOUR FAMILY TEST POSITIVE FOR COVID-19?**

Once you have followed the advice of the governments COVID-19 hotline 1800 020 080 and your GP, it is imperative that you inform our Club via the President, Vice President or Admin Officer.

### **WHAT NEXT?**

The Victorian Government has stated that it is likely that the current restrictions will remain in place for 14 days. If there are any changes, we will communicate these as quickly as possible. Please do not email, phone or text the Club regarding the government announcements, we will communicate with you in due course via Team App.

We appreciate your continued understanding and support and look forward to seeing everyone on back at training!

Regards

Aberfeldie Jets Committee
